- Bit about SCIE
- What is co-production and how to do it
- Example from Oxfordshire County Council

# About SCIE

- Social Care Institute for Excellence (SCIE) improves the lives of people of all ages by co-producing, sharing, and supporting the use of the best available knowledge and evidence about what works in practice.
- Covers England, Wales and Northern Ireland

# Co-Production in action: Oxfordshire County Council

- 687,500 Population
- Largely rural but with more urban towns
- In 20% most affluent but also pockets of high deprivation
- Local council – no overall control
- Less cuts than in other localities
- Demographic pressures

social care  
institute for excellence

# Seven shifts were co-produced with stakeholders

- Senior Level Commitment to co-production
- Co-produced training Programme
- Establishing a Co-Production board and network
- Resourcing
- A Concordat, a written agreement
- Piloting the co-production of services
- Evaluation of the programme

# Two year programme 2017 - 19

- Worked with range of stakeholders-to develop aims
- Set-up a Co-production, Team, Board and Champions Network
- Developed training
- Pilot programmes, transitions, older people's strategy, transport service
- Evaluation
