Context/ Social issues addressed Please explain the problem you attempt to solve.	The Citizen's Agreement for an Inclusive Barcelona is a space for participation, public-private cooperation and joint action between institutions and organisations in the city that works to build a more inclusive Barcelona with a better quality of life for all people. It is a shared space between the city government and civil society for social inclusion. The following are part of the Agreement: universities, social entities, trade unions, federations, professional associations, foundations, associations, etc.	

<p>Objectives: Please provide a maximum of three objectives in bullet points.</p>	<ul style="list-style-type: none"> • Increase the city's social capital, that is, its capacity for organisation and joint action. • Promote cooperation between public institutions and civil society organisations • Advance to the plural and democratic construction of a fundamental common good: social inclusion.
<p>Activities: Please summarise the activities put in place to achieve the objectives (maximum 300 words).</p>	<ul style="list-style-type: none"> • Creation of sectorial action networks as joint workspaces to achieve improvements in a specific field. • Organisation of an annual conference that represents a meeting between all the organisations and institutions committed to the Agreement (plenary session) • Communication: preparation and presentation of public statements and positions concerning key current issues for the social inclusion of the city • Development of communication, information and debate tools among members.
<p>Outcomes: Please explain what the results were/are so far and how you evaluated this.</p>	<p>The Agreement has more than 800 agents involved (public administration, social entities, companies, universities, professional associations, trade union organisations,...) and 14 action networks:</p> <ul style="list-style-type: none"> • Barcelona Network for Labour Inclusion • Resilient Barcelona Network • Reception and accompaniment network for immigrants in Barcelona • Homeless Care Network • Barcelona's social inclusion housing network • Network of open centres for the care of children and adolescents • Children's Rights Network • NUST Network - New Social Uses of Time • Network for the support of caring families • Network for Active and Engaged Citizenship • Network for the right to adequate food in Barcelona • Accessibility and Independent Living Network • Prevention and Coexistence Network • Metropolitan Network of Residential Inclusion

<p>Comments and tips i.e. for people willing to use your Practice</p>	<p>Some learnings:</p> <ol style="list-style-type: none"> 1. Importance of working horizontally between public institutions and third sector organisations. 2. The need to have spaces where social challenges can be worked on from a metropolitan perspective, articulating inter-municipal social action (overcoming administrative borders). 3. Effectiveness of sectorial action networks to identify, share and address common social challenges.
